The Details

Arrival

So many things in life are rushed – we'd like to make sure your treatment isn't one of them! That's why we ask that you arrive about 15-20 minutes early for your appointment.

Consultation

Our spa manager and spa receptionist are passionate about helping our guest look and feel their best. To make this even easier, we invite you to fill in the consultation form provided (don't worry – there are no wrong answers!).

Special Attention

Please tell our receptionist if you are pregnant, have any injuries, are suffering from high blood pressure, any allergies, or have had recent cosmetic surgery.

Valuables

The spa is a place to leave the world behind – and that includes your valuables! We recommend that you leave your jewellery, cash, watches, mobile phones or other valuable items back in your room for safekeeping.

Clothing

This is one place you won't have to worry about a dress code! Just come as you are and we will provide you with a robe and slippers and disposable underwear in your treatment room.

Younger Guests

Guests under 16 years of age will need to be accompanied by a parent, and a guardian's consent form must be signed.

Ensuring Tranquillity

You've probably come here to get away from it all, and so have your fellow guests. That's why we kindly ask that mobile phones or tablets remain switched off and that you refrain from smoking whilst you're here.

Cancellation

We know that things do pop up, so we offer you the freedom to cancel your reservation at no charge for up to four hours before your appointment time. After that, we must apply a cancellation fee of 50% of your treatment cost. However, for cancellations with less than one hour's notice, including missed appointments, the full price of your treatment will be charged.

Mood Massages

60 mins 430

90 mins 620

We have developed signature Mood Massages to take the guesswork out of picking just the right massage. Here's how it works: think about how you're feeling now. Then, imagine how you'd like to feel. Now, just select the Mood Massage below that best matches that feeling!

Dreamy

Leave the busy world behind as calming sounds, hypnotic aromas and long, flowing massage strokes send you into a state of complete and utter tranquillity. Perfect after a long flight, at the end of a busy day, or just whenever you want to drift away.

Serene

Lie back and let it all go. To help that along, this oh-so-soothing massage utilises a long stroke palm pressure technique that stretches the muscles, works out all the knots and kinks, and leaves you feeling like you don't have a care in the world.

Rejuvenated

The science behind it says that these drainage and aromatic massage techniques using carefully selected essential oils can speed up the removal of unwanted toxins built up from stress, pollution and a busy life. But we like it because it leaves you looking and feeling absolutely radiant, enlivened and ready to take on the world.

Invigorated

Our own deep-tissue massage was created especially for those who want to leave their chronic tension in the past. Strong, high-pressure techniques target those points where stress often resides, forcing out the tension and getting those feel-good endorphins flowing.

Energised

This traditional Thai massage proves that ancient wisdom can still teach us a thing or two today. We start with over 10 traditional Thai herbs to create a warm herbal compress exuding earthy aromas and healing goodness to loosen up. Then prepare to be stretched and kneaded with Thai massage to unwind all the knots. The result? A new-found spring in your step and the energy to make tomorrow even better than today.
